### **WADF 2015 World Championships and Festival**

Dear Mr. Belák.

On behalf of the World Artistic Dance Federation (WADF), President (Mr. Nils-Håkan Carlzon) and Managing Committee allow me this opportunity to thank yourself, the Direction and Staff of Hotel Babylon for the support, hospitality and flexibility for the occasion of our WADF 2015 World Championships and Festival.

Please be assured that our officials, competitors and supporters have all returned to their homes with a wonderful feeling and memories of Liberec and Hotel Babylon.

It is impossible to present such events without the cooperation of all parties involved for which I wish to thank you and your staff for completing this circle.

The WADF is proud of its event organisers and none so special as Mgr. Ilona Šulcová and Marian Sulc, who have taken our WADF into a new arena and set the bar at a high level for others to aim at, which would not have been possible without the assistance of your team.

Our WADF operates on the principle, "the King is dead – long live the King", which means that preparations for 2016 have already started to make it a bigger and better event.

Everyone is looking forward to preparing the travel arrangements for their return to Liberec and Hotel Babylon in 2016.

Thanking you in appreciation.

Sincerely yours,

**Stuart Saunders**  
Executive Secretary
